CONCEPT (01 MAY – 30 SEPTEMBER)

“THE SELECTED LIFE”

CORNELIA AZURE VILLAS INTEGRATED QUALITY, FOOD SAFETY AND ENVIRONMENT POLICY

Committed to protecting nature and the environment, Cornelia Hotels and its employees have the determination and power to be a leader in the national and international market and to provide superior quality service.

Our hotels' primary targets are to provide all the necessary conditions within the scope of Total Quality Management and to achieve success in Environmental Management; to produce and present safe food; to ensure the satisfaction of guests; to meet the expectations of all our employees by giving trainings to raise awareness and to help them gain individual responsibility; and to act in accordance with an approach of continuous development and innovation.

While acting according to the Total Quality approach, it is our priority and fundamental management principle to continuously support, protect, develop and improve the dynamic structure of our quality management system.

To safeguard the health and safety of our guests and employees, our hotels ensure that hygiene conditions are maintained at the highest level, and that all necessary precautions for healthy food production and presentation are taken, thanks to Food Safety Management System application.

While conducting our activities, we detect how the environment is affected, and manage the negative impacts, possible dangers and waste. We also take necessary measures to minimize soil pollution, energy consumption and ensure the effective use of natural resources, and constantly improve those processes. We work to help the adaptation and protection of biodiversity ecosystems, and to address climate change.

In order to determine the expectations and needs of our guests, and to ensure the continuity of their satisfaction, we consider and evaluate all feedback and make the necessary improvements.

By showing the utmost care in information security, which is the most important asset of our hotels, we evaluate data for confidentiality, integrity and accessibility and protect it against all intentional or accidental internal or external threats. We ensure safety for information collection and processing activities.

All these processes are conducted in accordance with the national and international standards and legal regulations. and international standards and legal regulations.

AZURE Villas have been built between the Cornelia Diamond Golf Resort & Spa and the Cornelia Golf Club on an area of 32,000 m2. There are a total of 33 private villas. Besides to every villa having its own individual design, there is a sea water pool shared among the villas. In addition to our 33 AZURE Villas there is a restaurant building and bar in the same area, which are exclusively for the use of our AZURE Villa guests.

All villas are two-storey and semi-detached buildings, therefore two villas can be booked next to each other.

Guests of Cornelia Azure Villas can use all services and outlets of Cornelia Diamond Golf Resort & Spa by Diamond All inclusive concept.

*** During the period of change experienced between the summer and winter season concept, when indoor services change to outdoor or vice versa, in order to ensure our guests are satisfied to the highest degree possible, depending on weather conditions the concept will be adapted accordingly in the case that service will be changed to outdoor and/or indoor facilities; we kindly ask for this to be made clear in any catalogues.

*** Pets are not allowed.

General features of the villas

The buildings reflecting the Aegean's traditional theme have been completely built with natural materials. The master bedrooms include a bath with a Jacuzzi, LCD TV, and wardrobe. The lounge consists of a dining set for 4 people, kitchenette, bar, and sofa set. Depending on the villa type, some of the bedrooms can be on the ground floor or on the first floor. There is a link to the terrace and the pool from the ground floor. The terraces feature a protection from the sun and a resin weave sofa set.
