General comments:

The Blue Lagoon is set in a residential area hence the quiet peaceful atmosphere. Although there are minimal facilities, this is a great location to use as a base as the busy central part of Marmaris and the beach is very close, within easy walking distance. For those wishing to get out, the bus route is a 5 minute walk away. If you want a relaxing day, enjoy the large corner swimming pool and soak up the sun on the poolside terrace.
