

DUNI ROYAL RESORT

Location

Duni Royal Resort is a modern, comfortable and attractive resort, located 40 km from Burgas and 7 km south of Sozopol, located on the sandy seashore, right on the beach. The complex has its own beach, the coastline of the resort stretches for 4 km, a guarded and spacious beach area, fine sand and shallow water near the shore.

Every year, the complex replaces certain types of carpet in the rooms, paint the rooms, buildings and other current repairs, but nothing more - i.e. nothing that could completely change the overall appearance and concept of the resort.

The management of the complex always emphasizes that the Dune complex is not suitable for tourists in wheelchairs or with motor problems, the complex has many steps, hills and the landscape of the resort itself does not provide comfortable movement for such tourists.

Check in time: after 14:00 p.m.

Check out time: before 12:00 a.m.

**Earliest Check-in 14:00 h; latest Check-out & Leaving the complex till 12:00 h. later departure from the complex is possible after an additional payment at the reception.*
