

An unforgettable holiday awaits you at Kuum Hotel & SPA, with the architecture of Bodrum Peninsula which embraces the nature of the most beautiful bay Türkbükü.

All of our 64 rooms offer the beauty of the sea view from different angles, while the individual entrances of the rooms make it possible to enjoy it. Turkey's award-winning architects and 24-hour internet connection in the rooms and public areas prepared by furniture designers, in-room safes, bathrobes and slippers are free of charge. The hotel offers a wide selection of restaurants, room service and minibar at an additional cost. In our rooms, LCD LED screen TV, satellite connection, Digiturk channel options and DVD player are available. The 2200m² KUUM SPA is at your service with 13 massage rooms, Turkish Hammam, steam rooms, hydrotherapy, fitness center, indoor pool where our expert therapists are working.

You can sunbathe all day in our 1800m² deck area, taste our special Kuum cocktail varieties and accompany the performances of DJ's at Happy Hours in our Kuum Bar which includes all other options.

You can take the tiredness of the day and enjoy the great tastes in our A La Carte restaurant and NATSU Teppanyaki restaurant where you can find examples of Turkish and World cuisines overlooking the sea.

- *Unique combination of green and blue with exclusive design landscape
