

WELCOME TO AEGEAN

The flower-like scent of the golden sunset: the most joyful state of experiencing this fairy tale hotel stretching in the hidden cove of Yalıkavak where sun sets the last in the horizon.

Let the wind bring you the scents of bergamot the authentic citrus of Bodrum, bougainvillea the lover of white walls and peaceful scent of sea bringing freshness of sea. These are only the first steps of privileged moments to make you forget the concept of time.

Close your eyes and let all these unmatched scents wrap your soul while you dream of the sound of waves.
